Some other things to know...

- Effects of the growth of the railroad industry
- Why big businesses grew
- How did the big business gain power?
- Effects (positive and negative) of big business
- How does a corporation work?
- What are the arguments for and against trusts and monopolies?
- How did the major inventions change life in America?
- Why did workers start to form labor unions?

As always, you need to spend TIME and EFFORT going over this information until you KNOW IT!!!

- Skim the chapter, paying close attention to key words
- Look at the objectives at the beginning of each section to know what's important
- Read over your notes several times
- Fill out the flashcards that were given to you
- Use the Section Assessments to quiz yourself on the main points

You do not have to use all these ideas, but you should be using at least a few of them.
