

## Changes in Cities

- Building boom: skyscrapers, elevators
- Electric streetcars allow suburbs to form
- Subways, elevated trains, bridges allow easier and faster transportation for city workers

- Public parks, shopping areas
- Sports: baseball, football, basketball
- Theaters, music, shows: circuses, "Wild West" shows, symphonies, operas, Vaudeville shows
- Phonograph makes new tunes popular, Scott Joplin makes ragtime music popular, John Philip Sousa's marches
