Goals and Principles of the Constitution
Chapter 8, Section 1 (pgs 248-251)

The Constitution is divided into three main parts. Identify each part AND state the purpose of each part (You are not going to find the answers all in one place!)

1. _____

   Purpose:_____

   _____

2. _____

   Purpose:_____

   _____

3. _____

   Purpose:_____

   _____

The Constitution rests on seven basic principles, or beliefs of how the government should work. List each principal in the stars, AND give a brief definition or explanation of what that principle means on the lines next to the stars
