World War I

Chapter 24

War in Europe

Causes:

- Nationalism: pride in your nation; Groups with the same language and culture wanted to form their own countries
- Conflict between France and Germany and between Austria-Hungary and Russia
- Imperialist nations fight for territory
- Militarism: building up armed forces for war

- Alliances
  - Triple Alliance: Germany, Austria-Hungary, Italy
  - Triple Entente: France, Russia, Great Britain
